Re: Requests for Additional Information (RFAs) on Amended October Monthly Report, Amended 12-Day Pre-General Report,  
and Year End Report

Mr. Fortkiewicz:

The following responds to the RFAs sent on the Amended October Monthly Report and Year End Report filed by CULAC, the  
PAC of Credit Union National Association (C00007880).

The RFAI on the October Monthly requests clarification on a contribution to The Committee to Elect Michelle Lujan Grisham for 2012 Primary debt retirement. The Committee to Elect Michelle Lujan Grisham has verified to CULAC that it had sufficient net debts outstanding for the 2012 Primary election to accept the contribution for the 2012 Primary election from CULAC at the time the contribution was made. Accordingly, we understand that no further action on this issue is necessary.

CULAC has amended its October Monthly Report to include the notation debt retirement on the entry showing a contribution to Mark Pocan for Congress for the 2012 Primary.

CULAC has amended its 12-Day Pre-General Report to correct the calendar year-to-date per election per office sought total for Christie Vilsack and Christopher Collins referenced in the 12-Day Pre-General RFAI.

The RFAI sent on CULACs 2012 12 Day Pre-General Report indicated that the Calendar Year-To-Date per Election for Office

Sought total for Christie Villsack should be \$197,293.80, according to FEC calculations. Based on our calculations, this total should be \$197,293.78. The amended report lists the revised total of \$197,293.78.

The RFAI on the Year End Report requests clarification on a contribution to Thomas Massie for Congress for 2012 Primary debt retirement. Thomas Massie for Congress has verified to CULAC that it had sufficient net debts outstanding for the 2012 Primary election to accept the contribution for the 2012 Primary election from CULAC at the time the contribution was made. Accordingly, we understand that no further action on this issue is necessary.

Sincerely,  
Patricia Sowick, Treasurer
